Project Name Title	Rivertown Road @ Cedar Grove Road
Tier	Tier 1
Project Type	Operation and Safety Improvements
Initiatve Type	TSPLOST
City	City of South Fulton
Current Stage	Completed
Project Description	This construction project at Rivertown Road and Cedar Grove Road will build a single-lane roundabout to address a sharp angle intersection skew, congestion, and reduce the severity of accidents at this intersection. Additional improvements with this project include improving storm drainage with a typical section consisting of a 2-ft. curb & gutter, 2-ft. stamped concrete beauty strip, and 5-ft. wide sidewalks throughout the project limits. The extent of construction is approximately 1250 ft. along Rivertown Road and 600 ft. along Cedar Grove Road. Streetlights will also be added within the project limits.
